"Someone needs to fix IndiaMART."

— Boomika

HUB4ESTATE

Hub4Estate

India's first blind-bid procurement marketplace for electrical supplies

1.8★

That's IndiaMART's Play Store rating — from the dealers who pay them.

84 lakh dealers registered | Only 2.17 lakh pay | 40% quit within a year | Hub4Estate is the fix.

40%
paying dealers quit within one year

THE PROBLEM — SUPPLY SIDE

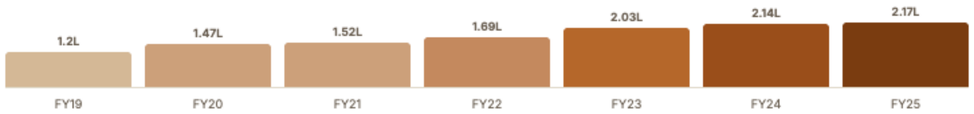
The Platform Dealers Are Abandoning

40%
of paying dealers
quit within one year

1 lead
sold to **10+ dealers**
at the same time

1.8★
Play Store rating —
from paying customers

Paying Subscribers — Growing, But Still Churning (FY2019–FY2025)



81% subscriber growth in 6 years — yet **40% churn every year.** They're a treadmill, not a platform. **Source: IndiaMART Annual Reports FY19–FY25**

THE PROBLEM — DEMAND SIDE

Buyers Are Paying the Price

📞

₹4,066 Cr

spam calls / year in India

Post one requirement online — your phone becomes unusable for days. Zero privacy, maximum noise.

💰

20–40%

overpay on every order

No real-time price visibility. No competitive pressure on suppliers. Buyers just absorb the loss.

"Same product. Quoted ₹1,05,000. We sourced it at ₹65,000.
It's not a communication problem. It's an access problem."

Revenue 2.7× in 6 years. Rating never moved. That gap is our entry point.

1996 — **IndiaMART founded**
Online trade directory — Indian suppliers and buyers

2005–07 — **Pivot to B2B marketplace**
Geographic expansion across India — first real scale

2010 — **"52 offices in 52 weeks"**
National blitz — ₹50 Cr+ revenue, 52-city presence

2012 — **Subscription model launched**
Dealers charged — complaint cycle starts immediately

2019 — **IPO — ₹480 crore revenue**
India's largest B2B marketplace lists on NSE — 1.2 lakh paying subscribers

2024 — **₹1,130 Cr. Still 1.8★.**
